BRAIN INJURY PROGRAMS

Raising the Quality of Life for Survivors of Brain Injury

Supportive Living, Inc. Copywriter Intern Description

Are you a creative individual with cool ideas and a serious knack for writing? Supportive Living is a non-profit charity that raises the quality of life for survivors of brain injury. This is a unique opportunity to help tell Supportive Living's resident's stories. We are looking for a creative and enthusiastic learner to help us build and inform our audience, while gaining experience in copywriting and photography.

The Copywriting Intern is responsible for capturing Supportive Living's mission, people and services in words and pictures and telling our story on social media platforms. This person has a thorough knowledge of media platform trends and the use of engaging storytelling and photography.

Key Responsibilities:

- Sourcing, writing, editing and distributing stories through social media and push platforms
- Managing the content and distribution calendar

Qualifications:

- A college junior or senior pursuing a Bachelor's degree in writing, English, journalism or communications
- Creative and forward-thinking
- Organized, timely and able to meet deadlines
- A fantastic writer with a solid grasp of spelling and grammar
- Self-motivated, detail-oriented
- Enthusiasm for Supportive Living's mission

Start Date: Immediately; 1 Position open until filled.

Commitment: 1 semester minimum commitment, 10 hours/week

This is an unpaid/volunteer internship
